# Wild & Wacky Totally True Bible Stories - All About Fear CD

## Synopsis

Frank Peretti tells some of the most popular and beloved stories from the Bible in his own unique style. The stories come alive as children meet characters from the Bible through the eyes of Mr. Henry, that one-of-a-kind Sunday school teacher! In stories like Elijah and the still, small voice, Paul's shipwreck, and Jeremiah and King Zedekiah, kids learn that God is ever-present, even though they have very real fears.

My grandkids absolutely love this book. We read from it every time they spend the night and they have not requested another book yet. They even like the pictures in it and my 3 & 4 yr olds read me stories from it based on the illustrations. Great book. So glad I made the purchase.

I ordered this book on pre-release several years ago. I have laughed my way through it. Children are fascinated by the illustrations, and they love the stories. All the great ones from the Bible. Moses,

Adam & Eve, Noah, David & Goliath, Jesus and the Little Children. I am a pastor and loaned his book out to a 5 year old girl, to keep her interested in something as I was talking with her parents. After I stopped counseling with them I thought I wouldn't see the book again, so I began a search for another copy only to find out it was no longer in print. I located it through [www.wildandwacky.com](#) and was able to buy it. The day after I received the new one, the little girl brought my copy back and I told her it was hers to keep. Tears of happiness and a big hug followed. Thank you for helping me introduce a little girl to a Christian outlook on life.

we had a blast listening to these stories on long road trips. my wife currently teaches sunday school and has used these stories several times as an addition to the lessons she is presenting.

Make sure if you get the book, that you order one with the CD-it's worth a little more. Funny pictures and good humor, haven't read it completely, but like what I've seen so far. The CD helps build imagination, it would be good for young people to use with a puppet or skit.

This was one of my daughter's favorite books to read at bedtime. We loved Frank Peretti's sense of humor...we truly laughed at loud over and over again.

I loved this book. My 6,8 & 9 year olds enjoy the bible stories. Frank Peretti has a wonderful sense of humor and makes the bible stories come alive.

Frank Peretti is a master storyteller and his talent shines through with this book. From the age appropriate text to the eye-catching, comical pictures, this book is a worthy investment. And on CD Frank Peretti is his expressive, wild and wacky self. Although this book is truly focused for young children, I've found that teens, adults, and seniors enjoy the pictures and sometimes even the CD! Note that the audio CD is NOT a word for word read along CD. The CD actually has a lot more details than you will find in the text. With that said it is still delightful to listen to the CD and follow along with the pictures.
