At The Cross: Color For The Soul Adult Coloring Book

Synopsis

Put away all of the worldly distractions around you -- TV, phone, computer, etc. Get alone with God! Take out some color pencils, markers or crayons. Pick a page and go with it. There's no particular order to follow. Let God's Spirit guide you. Practice meditating on God and cast away your worry, stress, fear, and anxiety. When you finish a design, personalize it by signing your name anywhere on the page. Find the drawing pad in the back of the book and doodle your own cross designs then color them! Stop when you need a break, then pick it up again later. When finished, if you desire, share your creations with others! A book for any age! One more thing...try and look for the optical illusion in one of the Crosses!

Customer Reviews

Front cover a bit misleading. It should clearly indicate the inside drawings are not merely lovely crosses, but have writing on them. Not what was expected.

Only one cross was attractive to me. The one shown on the cover,

Have really enjoyed this - very nice pictures to color. My only complaint is that eight pages are wasted with blank crosses to "doodle" on. If I want to "doodle", I can draw a blank cross for myself instead of paying for someone else to do it.

The best thing about this book that it was hand drawn by children in youth groups. I was very impressed by their drawings. :)

I bought this as a gift for a sister-in-law recovering from major surgery. I had it sent directly to her from so I did not get my hands on it but she called me to tell me how much she loved it.

It was not exactly what I thought it would be, but it's nice.

It was a gift for my daughter and she loved it. She especially liked the crosses in the back you can design yourself.

Very nice designs and fun to color. Very relaxing. Coloring the different cross designs gives you a peaceful time. My favorite adult coloring book. Worth the money spent.
