Customer Reviews

I was helpful even on our 2nd trip there.

It's a great guide for everybody, who likes to travel with comfort and detailed plan. I was in Lisbon two times. It's an interesting city with unique characteristics, such as: the echo of Fado music in many of the city corners, the authenticity of the innumerable historical buildings and the rise of the charming cosmopolitan city make it perfect destination for a relaxing holiday. That's why, if you decide to visit Lisbon, you should have this book. These 55 secrets can help you to spend unforgettable time in Lisbon.

Some interesting tips, but the fairly random listing of "secrets" makes it difficult to use while walking around. After reading through it, I never opened it again.

Good condensed list of key things to do and see, but could have been a web page.

Another great book in this big collection! A nice add up to someone who wants to really meet the heart of this city.

I love traveling. This book is a great source of information. It will make your visit more productive and has amazing tips on where to go and where to shop. The book also covers it's history and culture. What I like about this book is that it provides a great list of their iconic restaurants. I would like to visit this place once day and I know this book will be very helpful to me.

I love traveling, so much! My recent trip was to Thailand which I enjoyed so much but I wish I couldve went to a more local place not those tourist traps! I never been to Lisbon and this book will make sure you will stay away from those tourist money sucking traps! The books gives address points to go to for certain foods, site seeing, etc. Very helpful guide!

just ok
