Customer Reviews

'the answer to every short-breaker's dream ...The jewel-coloured guides look beautiful and are exquisitely designed.' The Times '...gorgeous photography, sharp graphics, and design-savvy, waffle-free text, written by city insiders rather than bearded backpackers.' The Independent 'Glamorous, global and affordable.' Telegraph magazine 'packed with insider knowledge and eye-catching photography' Vogue 'Ultra-glam, uber-chic' The Observer 'Attractive and well-researched.' USA Today 'Ultra-stylish.' Time Magazine 'Sophisticated but simple.' The New York Times 'Small, stylish and beautifully illustrated, the Wallpaper* City Guides make everything else look old hat. ... The photographs and maps are superb.' The Sydney Magazine --This text refers to an out of print or unavailable edition of this title.

Wallpaper* City Guides are compiled by in-house editors and on-the-ground correspondents who live in the featured cities

Good little guide for some out of the way or more chic locations. Not comprehensive in terms of the whole city by any means. But it was really good for me as I had been to Prague several times and wanted some suggestions outside of the norm.

In general, I enjoyed this book. It provided some great places and things to do that are "off the radar" in terms of tourist destinations. If you like to experience more of the city than just the over-hyped tourist spots and want to get a feel for what the locals see and do, this book will help. Be sure to call the restaurants of your choice ahead of time as more than a few of the ones listed were either closed for business or moved from the location listed in the book.

Great small compact guide!!

So, I lived in NYC for 10 years, and as a result, I hate looking like a tourist. I never want to be one of those people standing on a street corner with a huge map spread out, even though I still need those maps. Especially in a city like SF, where I have been probably 10 times, I don't want to stick out. This guide is a great answer--enough map to help me get around, fits in my jeans back pocket, doesn't look like a guide. Plus, I found some very cool new places that I hadn't been to before. If you like magazines like Travel & Leisure, this is a great guide. Not a nuts & bolts, so if you are a first-timer, these are not the way to go.
