The book of changes and the unchanging truth =: Tien ti pu i chih ching Hardcover by Hua Ching Ni

Just purchased my second copy of this book after 20 years of using it. It is a classic. It is still teaching me after a thousand of consultations. Master Ni is incomparable and a legend, also.

It took awhile to receive the book but as an old book it was in good condition. It is a very thick book and I only skimmed through but the book contains very intriguing subjects and the background of the I Ching symbols and stories. It is a good book for anyone who wants to know in depth of I Ching.
