Customer Reviews

Very cute corgis. A variety of images, all happy, adorable dogs. From a wedding, to frolicking on the couch, in the woods, in a basket, to in front of a fireplace with Christmas stockings hanging. A great deal of thought went into the variety of these images. Love it!

First off please let me say that I was beyond pleasantly surprised with this corgi coloring book. I was provided this book for free, to try out and give an honest review. All opinions, thoughts, and statements are my own. If you are looking for a fun and different coloring book, whether for an adult or child, then this is the book to get! It was detailed, imaginative, and fantastically creative. I never felt like I was being pushed to color in a certain way as I feel some coloring books push you. While this book is focused on pages of corgis, it also provides other motifs and animals towards the back pages. It's a great mix and I will most certainly be purchasing some for gifts!!

Fantastic coloring book. If I was any good at staying in the lines I might be tempted to color this myself. Makes a fantastic gift.

This the cutest coloring book! The pictures are very creative and appropriate for all levels of coloring skills. I especially like that each page is only one sided so I can take the pictures out and hang them up without giving up a picture from the backside. I will definitely be ordering more for all my corgi loving friends!

I love Corgis. I love this book!

I received this book as a birthday gift and was so excited. Designs are very detailed and creative. Love the ability to print off more copies if I want. In the back there is a sampler of designs from other books so you get a wide variety of other themes to try before you buy.

The title is correct, this a book full of adorable corgis to color. I had an impossible time picking my favorite to color first. I also love that there are color test pages at the beginning too; they came in handy! Photo attached is the one I'm working on now.

Great coloring book! All the corgis look like corgis. Nice variety of images and settings. The corgis can be colored to match your own corgi!
