This book has so many good recipes. Everyday food like pork chops ,chicken done several ways,

vegetables, meatballs, etc. There are also a few gourmet recipes, and some dessert recipes. I love how the author included the nutritional info in a short easy to read box, and the tips were helpful. And after reading this book, you will realize that you have been passing up on great food for many years!

I just got an air fryer and was looking for a cookbook or two and found this one. Some great recipes in here! Many for breakfast which I thought was awesome as well as lunch/dinner. Also an appetizer section with healthy versions of mozzarella sticks and garlic knots! That is like heaven to a New Yorker like me! :)
