Inside God's Arms Season 1 (Yaoi Manga): A Room Filled With Love

Synopsis

Reno's got a new roommate and his name is Roger Brower. His nickname is "Casanova" and there are rumors that he sells his body for money. Soon after arriving he asks Reno if he can leave the room for 3 hours once every 2 to 3 days so he can have sex with his clients, and Reno realizes the rumors are true. He tells Reno that he'll give him some of the money he makes as payment for renting out the room for that time. Reno reluctantly agrees and everything is going just fine until the day he accidentally walks back into their shared room and is confronted with the sight of Roger having sex with one of his customers.

Customer Reviews

Inside God's Arms was so much better than I expected. Be warned it is a "short" so only around 60 some-odd pages and volume 1 in 13 I believe. Though at the price it more than worth it to buy. Also the story and art are amazing. The characters are beautifully drawn and the story pulls you in and makes you eager to see where it is going. It is also 18+ for Explicit content so keep that in mind. A lot of kindle manga's are not very easy to read, do not fill up the whole page, or have other issues but I found none of the usual with this one; which is a very nice surprise. Overall I really enjoyed this story and have read it a few times as I waited for the next issues to come out. If you're a fan of BL I'd definitely recommend this one.

The plotline is not as extensive as it should be, but that may just be because of the short length. As for the artwork, it has a very distinctive touch. Aka, nice scenery, though I wish there was more variety. Now, onto the characters: I enjoyed Reno's character immensely when, right off the bat, he showed a particular talent for putting his foot in his mouth! The roommate is a smooth operator, and very typically put together. He only loses his temper once in this volume, and it inspires an interest in his background that will probably inspire me to purchase the next volume.

I really love this series and have read it a few times now. I like how we get to know the characters and delve into their backgrounds to find out why Roger is the way he is. I also like seeing how Reno works his way into Roger's heart.

Here's what you want to know about this series: Yes, there is sex. It's not too graphic, but it's definitely there. The main characters are likable and adorable and unique, which makes this series an interesting read. Trigger warning: there is rape and suicide. The story gets pretty heavy in places, but overall the MCs are sweet, and I love this series. It's worth the read if you're still interested.

I enjoyed this way more than I thought I would at first. It's got a nice balance of angst and feeling to draw you in, and I think the art style is very refreshing from what I normally read. I half-way expected some cheesy comedic piece but this definitely isn't it.

This is a good story. I believe in supporting the author by buying the manga artist. I have read this series multiple times.

It has cool artwork and the story really tears at your heart string. I love it! Get it. You won't regret it!

Beautiful artwork, amazing plot! Where's the next volume? Please release it soon! It's too good a yaoi to pass up!
