Absolutely beautiful coloring postcards, many different and original tree drawings ranging from rather easy to quite intricate. I enjoy coloring these wonderful pictures slowly with much concentration because when my session is finished, regardless of length, I feel so relaxed and calm - what a wonderful way to experience meditation. This book is one of the best coloring postcard collections I've found, and I highly recommend it for anyone who is inclined to this past-time.

Need a way to relax? I s coloring book. The combination of mandalas and trees makes for a relaxing activity and a beautiful picture when finished.

Love the trees....

I love it!!

Needs more tree looking designs

Pages were very thin,nothing like I've seen in other books
