An excellent primary source resource!!

This is a good textbook that provides primary sources for Christian history studies. It has been very beneficial to read writings from the time-periods that I'm studying.

Really Great to Work With I'd Highly Recommended Using them to Anyone & The Seller did a good job with the Item as described info...Very Quick Shipping was Great Too!!! A+++++

Very nice compilation of Christian writings.

This is an outstanding text that covers a lot of territory in church history. I found all of the readings to be very helpful in my understanding the viewpoints of the cloud of witnesses that wrote about and for the church.

This is a wonderful compilation of "first hand" historical accounts. One literally walks through history

with those who were there.

Thanks

Didn't really have any expectations but book is very helpful for writing assignments
