Frommer's Bahamas 20th Edition (Frommer's Complete Guides)

Synopsis

Insider advice on avoiding the crowds as you hit all the best beaches, resorts, outdoor activities, restaurants, and nightlife. We'll show you the hot diving spots, from Grand Bahama to Bimini; the most abundant fishing at Treasure Cay or the Exumas; and the best golfing on Paradise Island or New Providence. Plus tips for navigating the less-traveled corners of the Bahamas, from San Salvador in the south to the Abacos in the north. Where to find the best rock lobster on Harbour Island, the hottest clubs on Cable Beach, or the best family getaways on Great Exuma. Insightful commentary on honeymooning, touring the Bahamas' national parks, or just sailing around. Opinionated reviews. No bland descriptions and lukewarm recommendations. Our expert writers are passionate about their destinations--they tell it like it is in an engaging and helpful way. Exact prices listed for every establishment and activity--no other guides offer such detailed, candid reviews of hotels and restaurants. We include the very best, but also emphasize moderately priced choices for real people. User-friendly features including star ratings and special icons to point readers to great finds, excellent values, insider tips, best bets for kids, special moments, and overrated experiences.

Customer Reviews

The National Family Island Regatta in George Town, Great Exuma Island, draws yachters from all over the world. See chapter 9. Easy-to-read maps throughout Exact prices, directions, opening hours, and other practical information Candid reviews of hotels and restaurants, plus sights, shopping, and nightlife Itineraries, walking tours, and trip-planning ideas Insider tips from local expert authors

This is absolutely the worst Frommer's guide I have ever used. I have used Frommers and Fodors over that last 15 years of my life on trips to Scotland, Paris, Japan, and Finland. This is the first time that I am horribly dissatisfied. 1. The info is old and stale. There was one paragraph I had to read out loud to my wife. It talked about "the upcoming construction that is scheduled to begin in 2011..." Uhmm...seriously??? In a 2013 guide you are telling me about upcoming construction that IS scheduled to begin 2 years ago. NOT TIMELY!!! 2. Went to eat at a restaurant called the Conch Shell based upon the review in the book. Talked of it being a local eating spot. It was a tourist trap restaurant. Had we not walked there to eat based upon the review, we would have turned and walked out. The food was average at best, and the prices were 2 times the prices of most other places, and it was NOT a local type place. Made me feel that the restaurant paid for the ad or gave the writer free food and drinks (\$9.75 for the "highly recommended Goombay Splash" that is higher than the cruise ship prices!) 3. Beach info---decent info on the most popular beaches, very little on the others. 4. Snorkeling info---VERY LIMITED! The book did say that one of the beaches was the best for off the beach snorkeling (Love Beach). We were told by 3 different local people that the beach was not any good as sea grass had overgrown the coral and it was in awful condition there now. We were also told that Love Beach has been like this for THE LAST 2 YEARS!!!! I am returning this book as I would not loan it out to my worst enemy, and I would not want anyone that I like to rely on its outdated and misleading info.

I bought this "kindle version" for our family visit to Nassau/Paradise Island. It was utterly useless and skimpy information. It seemed to have been written for the "cruise ship's passenger" crowd, whose may have little time to visit the island, except shopping around the port and drive-by sightseeing. We end up used most of the information we collected from information booths at the airport and hotel. I have used several Frommer's guides in the past, and this one was one of the worst.

Taking my first trip to the Bahamas and this guide has given me lots to look forward to seeing doing and eating. It will be packed into my luggage so I don't forget what I wanted to do where. This book is a must for anyone visiting the Bahamas and it gives you ideas on how much things cost as well

This book is on the Bahamas so if you are looking to get brief descriptions on all the outlying islands this will probably work for you but I didn't feel that it gave me enough info where I wanted.

I was a little disappointed there is not much on Paradise Island. What was in there was good info but who knows how recent the info is.

Very helpful for our 9 family member trip to Atlantis, especially for restaurants. Also helpful for what to do in the area.

Not really any pictures, but lots of great information for each island, I highly recommend this book if you are going to the Bahamas

Very complete, even prices and addresses. Lots of good places to visit when in Bahamas and good places to eat.
