The Viscount's Runaway Bride (Marriage By Bargain Book 1)

Synopsis

What Lord Worsley really wants is a wife who can excite him, but what he ended up with was an engagement borne of necessity to his sister's friend. So when Miss Damara Onslow intercepts his carriage on his way to his country estate, he's immediately drawn to both her bold spirit and her beauty. Even more exciting is the offer she makes: money in exchange for marriage. More than happy to get out of the marriage he was dreading, he agrees, and soon they are husband and wife. From the moment they exchange vows, it appears as if he's found the perfect lady, and his marriage is the love match he's always wanted. But not everyone is happy about it. To make matters worse, he never thought to ask Damara why she was so eager to get married, and the truth might be the undoing of them both. Customer Reviews

Celia has been a secondary character in several books, and has never left a good impression.

However, in this book about her brother's marriage, we see the beginnings of a change to her, and I foresee a future where I can actually root for her. I loved Anthony and Damara's story. My only complaint is that he never met with Loretta to explain his failure to follow through with their wedding plans. It may have been a match he was reluctant about, but he DID make a commitment and had an obligation to tell her about his impulsive wedding.

The lead character is a rare gem of a lady who brings her warmth and sincerity to everything she does. I was a little taken back about how abruptly the book ended. Having wanted to know more. Oh well maybe I will hear something about these characters in the next book in the series.

We first met Anthony in the 'Marriage By Arrangement' series and now he gets his own story. His sister wants him to marry her best friend. To get away from them, Anthony leaves for his country estate for the winter. Along the way, he meets Damara, a beautiful lady who proposes marriage and offers him a valise full of money. What is her secret and what will happen next? I highly recommend this charming novel and the other Regency series by this author, which intertwine and bring many complex characters together in entertaining, suspenseful and charming novels.

Ruth Ann Nordin is an amazing author who keeps writing these witty books. Her characters are so delightful and some can be so mean. She keeps your attention with mystery and suspense so you want to find out what will happen next. I could not put this book down. I hope you enjoy it as much as I did. Happy reading!

I liked the story. It was entertaining and light reading. I am looking forward to the next in the series.

I just loved this book . Anthony and Darmara were so good together. I can't wait for the next book.

Ruth Ann Nordin continue to be the greatest writer
