Ukulele Primer Book For Beginners With DVD

Synopsis

The Ukulele Primer Book for Beginners with DVD by Bert Casey is designed to help the beginner learn how to play the ukulele. This beginning ukulele book can be used with a Soprano, Concert, or Tenor ukulele. These lessons start off with the absolute basics like parts of the uke, tuning (G, C, E, A), left and right hand position, and how to strum. After covering the essentials, you will learn how to play easy chords and different strum patterns in the context of fifteen popular songs. The fifty page music book contains written instruction, music notation, helpful tips, chord charts, and detailed photographs. The 86 minute DVD provides video instruction for all of the techniques and songs covered in the book. The DVD uses split screens so you will be able to clearly see both hands and the music at all times. This is the perfect course and songbook for teaching a beginner how to play the uke. Entertain your friends and family today by learning how to play this great instrument that is soaring in popularity. In addition to the DVD, all video lessons are also available for online access.

Bert Casey has been a professional performer and teacher in the Atlanta area for over 35 years. Bert plays several instruments (acoustic guitar, electric guitar, bass guitar, mandolin, banjo, ukulele, and flute) and has written eight instructional courses (Acoustic Guitar Primer, Acoustic Guitar Book 2, Electric Guitar Primer, Bass Guitar Primer, Mandolin Primer, Ukulele Primer, Flatpicking Guitar Songs, and Bluegrass Fakebook). Bert performed for several years in Atlanta and the Southeast

with his bands Home Remedy and Blue Moon. 25 years ago, Bert Casey and Geoff Hohwald started Watch & Learn to help revolutionize music instructional courses by developing well thought out, step by step instructional methods that were tested for effectiveness on beginners before publication. These products, which have dramatically improved the understanding and success of beginning students, have evolved into the Watch & Learn system that continues to set the standard of music instruction today. This has resulted in sales of more than three million products since 1979.

This is very helpful to get started on the Ukulele. Easy read and a beginners necessity.

Perfect for beginners!

Great Primer, easy to understand and learn how to play the Ukulele.

like it a lot

Great beginner book, easy to use and understand.

I ordered this book to go along with the Ukulele that I got my father for Christmas. He had never even touched a Ukulele before and now about two weeks later, he is progressing decently with his playing from using this system which even has suggestions such as finding a tuner app for your phone so that you are accurately able to tune the Ukulele. He loves learning to play with this DVD/Book and he keeps me updated on his progress and shows off which is great that he likes learning to play using this system.

Really great DVD accompanies this...if you are a visual learner, it helps immensely. All of the intro book are in black and white and kind of hard to see the finger placements. The pairing of the video and text is great, the instructor is easy to follow, and the price is very reasonable. Pickin' and stummin' a song in less than one hour.

My 9yo daughter has been randomly plucking her brothers ukulele so I decided to help my ears hear a tune! She got the book,watched DVD and now she can play a couple of songs!
