UNLIMITED AND PRIME SUBSCRIBERS CAN READ "JOE BRUNO'S MOBSTERS - SIX VOLUME" SET FOR FREE!!Joe Bruno's Mobsters - Six Volume Set has been ranked:/USA #1 BESTSELLER IN "HOT NEW RELEASES - ORGANIZED CRIME" /USA #2 BEST SELLER IN "EMIGRATION & IMMIGRATION"/USA #4 BEST SELLER IN "CRIMINAL PROCEDURE"/USA #5 BEST SELLER IN "ORGANIZED CRIME"/UK #7 BEST SELLER IN "ADMINISTRATIVE LAW"/USA # 8 BEST SELLER IN "LEGAL HISTORY"/USA TOP 10 BEST SELLER IN "CRIMINALS"/USA TOP 10 BEST SELLER IN "LAW ENFORCEMENT BIOGRAPHIES & MEMOIRS"/ITALY TOP 10 BEST SELLER "ENGLISH TRUE ACCOUNTS"/FRANCE TOP 10 BEST SELLER IN "CRIMINAL LAW"/USA TOP 15 BEST SELLER IN "ESPIONAGE"*****Bargain - everyone loves a bargain, and "Joe Bruno's Mobsters - Six Volume Set" is a bargain that's hard to beat. This boxed set, consisting of six books by Best Selling true crime writer Joe Bruno, starts with "Mobsters, Gangs, Crooks and Other Creeps" Volumes 1, 2, 3, and 4 " All four books were once ranked No. 1 in the book category "Gangs," and all four books are consistently ranked in the top 25 in categories of "Organized Crime," "Hoaxes & Deceptions," and "Law Enforcement Biographies & Memoirs."According to New York City criminal attorney Mathew J. Mari, "Mobsters, Gangs, Crooks, and Other Creeps" is "a composite of characters and events that entwines the denizens of New York City's underworld with the rich history of New York City from the early 1800's through the early 1900's."The fifth book - "Murder and Mayhem in the Big Apple From the Black Hand to Murder Incorporated" details the progression of New York City gang murder machines from 1900-1940. It starts with the Italian Black Hand, and cruises through the Boys from Brooklyn, which later became part of the most deadly American alliance ever: Murder Incorporated.Finally, to cap off this six-book boxed set there's "Mob Wives" "Fuhgeddaboudit!" - a clever critique of the VH1 TV program Mob Wives. As L.L. McKenna said in her book review "The Real of Reality TV, "What a pleasure 'Mob Wives' "Fuhgeddaboudit!" is to read! Mr. Bruno not only provides insight to the "reality show" but includes his blogs and responses. While scripted or not, the only truth is the paycheck that the "characters" cash while exposing themselves to the viewers. The "Bonus Book" "Mob Rats - Bald Jack Rose" covers the life of one of the most despicable gangland characters of the early 20th Century. Rose was a diabolical criminal genius who would rat on this mother to save his own hide.In conclusion, "Joe Bruno's Mobsters -

"Six Volume Set" is actually SEVEN books in for less than SIX BUCKS!!! Who says you can't find a bargain these days? Scroll to the top of this page and hit the BUY button! About Joe Bruno: Mathew J. Mari, New York City criminal lawyer for 38 years, said, "Joe Bruno and I grew up in the same neighborhood on the Lower East Side of New York City. We met and know the most of the same people, some of whom are alleged to be organized crime figures. And I emphasize the word 'alleged.' " That's why Joe Bruno's insight and style makes it easy for the reader to understand the colorful yet brutal characters that dominated the crime scene in America for two decades.

Customer Reviews

This was a good deal with a few flaws. In this case the characters crisscross with others numerous times. So you read about one character, then later another character's life intersects with the first and that story is repeated. You can stop here and plunk down \$2.99; it's worth it. From here risks a spoiler alert a little bit. That said; he lost me whenever he injects an editor's comment as I don't know who

Joe is or why I need his commentary at all. I just wanted to read about the mob stories. The last 10% (luckily) of the book is where the real garbage starts with what can only be described as filler or a way to update the book maybe? He spends his time explaining the Mob Wives TV shows, how bad it is and how people who watch it must be stupid, yet he is confused why some of what is occurring in real life is not being covered. I'm guessing that the FBI didn't want a person in protected custody being put at risk on TV. Come on, Joe. He goes on and on about the TV show, literally giving us line for line from the script followed by reader comments from the internet for pages and pages and pages. If only there was a way to read internet comments yourself if you wanted to. You either watched Mob Wives or you don't care. I fall under the latter. In-between reading about the show like it was a script, he interrupts to tell us if a girl looks hot to him or not. Then we get to the part where his website got so many hits that you can only assume he wrote this last 10% thinking people care. From 1,000 to 14,000 hits on your WordPress site; that's nothing. Joe, you're ranked 6,243,000 and some change. 14,000 hits to a story someone linked to do not make 10% of a book. Your instinct, this time was right, the show sucks and reading about it is more painful than the thought of watching it.

Well written and offered insight to some very obscure and unknown criminals. It also provided insight to some of ideas for the plots and incidents shown in very popular programs such as the Godfather series and other crime shows both on the screen and television.

Quickly put, any book by Joe Bruno buy!!! They all our excellent A++++++ and shows the life as a Mobster back in the good old days

This a fun entertaining read for anyone interested in organized crime or criminal history. I would not recommend the volumes individually, but I really enjoyed the set. It was repetitive at times but even this I did not mind because it helped me to recall the various relationships that existed amongst the players.

THIS IS A PLAIN FUN READ. FROM THUMBNAIL SKETCHES TO SEVERAL PAGE NARRATIVES, JOE BRUNO GIVES US A SNAPSHOT OF THE NEW YORK UNDERBELLY FROM THE EARLY 19th CENTURY UNTIL THE PRESENT DAY. IT IS SO EASY TO READ A LITTLE OR A LOT.

Book is very informative about the most famous mobsters and how they rose to power, and how the fell. Also, how people were very poor and what they had to endure to survive.

These are good books on criminals and mobsters through history, all having to do with New York City. Was hoping for a wider subject, but worth the price.

I love these books. I am a real fan of mobsters. And these are great books to learn about the mafia.
