Customer Reviews

This detailed map of Jacksonville, Florida has complete coverage for the city and surrounding area, with an inset map for downtown, plus most major tourist and business districts. When you flip the map over, you will find a complete street index and a "city and vicinity" map of the entire metro area.

It is a great map of Jacksonville, but needs to cover surrounding areas such as St. Johns, where we needed to go also.

We wanted to find the street in St. Johns located in Jacksonville. The map does not show St. Johns. Do not buy this map if you want to see the streets in St. Johns.
