Bad Boy Brother

Synopsis

She needs my protection. And I'm going to make her cute little tush work for it. I always protect a bro. I just didn't count on having to protect his sister too. Joey and I have been close since childhood. I have his back and he has mine. Always. But now he's in trouble. He's been arrested for murder and everyone thinks he's guilty. His sister needs my help. Jenny's the sweetest little thing I've ever seen. I liked her as a kid and I straight up love her now. I get hard every single time I see her. Her very scent makes me throb with desire. But what about the bro code? Can I really do what I'm thinking of doing to this little girl? She's my best friend's sister. She's so innocent, and I'm so dirty. She's so good, and I'm so bad. She's so hot, and I'm so hers.

Customer Reviews

This book is another winner from Chance Carter. His writing always pushes the characters' comfort zones leading them to take chances, explores new possibilities and emerge stronger and happier. The sex scenes are impeccable and engage the reader. I did find one thing disappointing in that

some of the non-sexual scenes seem rushed. The rescue scene especially felt sparse and anti-climatic. Regardless, this is a very satisfying read. I love Chance's books and his next novel, *Playboy Ever After*, is already on my Kindle ready to go.

Sometimes life throws us a curve ball, one you can't avoid being hit. Now it's up to us how are we going to deal with it. Most of the time we get so busy that we lay track of what's important. We stop listening or avoid it all together. Love how the author - Chance, vividly put into words that gets the reader right into the story as if you are one of the main character. This book will get you squirming in your seat, that you won't want to put it down until your finished. I definitely recommend a must read book.

This book was so good. Jenny's brother Joey had always attracted trouble. She hadn't seen him for ages. She gets a call from Chief Joseph Cartright to say that Joey has been arrested for the murder of his wife. Things are going good for her job wise but she has to go & look after her niece. Jenny is way out of her comfort zone but help is there for her. Well written. Thanks.

Wow, I thought I already wrote this but apparently I forgot to hit submit, love, love chances books, I can never out them down once I start them. This one was no different. Can't wait to see what's next.

I loved Roy and Jenny and how they saved her brother and took care of her niece all the while falling in love with each other. I would recommend this book to anyone!

I really love this author! He's not only inventive and writes great stories, but he creates amazing men. You always finish loving the story and both characters, you're never left wondering why the girl chose him.

Another great story by Mr. Carter. Had it all, steamy heat, twists and turns, even some sitting on the edge of your seat action. Loved it highly recommend.

Another great book by Chance. I can't wait to read another book by him and would recommend his books to anyone who likes romance books.
