Finally, a book created specifically for high school and college students and coaches of forensics dramatic duo competition. Crammed full of material, these scenes will challenge and inspire students, coaches and judges alike. Rich, balanced characters are presented in dynamic, topical situations--riveting scenes that examine the fragile human condition. Within these pages you'll find accessible, original pieces that meet the time limits of most league competitions. No props are needed, no inappropriate material and no foul language. All in one book! Use your time for rehearsing--not searching.

I was so lucky to stumble across this book and trust my instinct to buy it. The scenes in here are great for students, as well as actors in their 30's. I really enjoyed the variety of subject matter, tone, and characters. If you coach, as I do, this will save you and your students a great deal of valuable time. I have had success using these scenes in acting class, and can't wait to try some out with my duets next fall!

If you are a high school or college drama teacher or forensics coach, you should have this book!!! The book contains original scenes that are great for Dramatic Duets for competition or for classwork. I can't wait for the release of the comedic scenes! I hope that this is the first of many in this series. To the authors: Please keep writing intelligent, challenging works that are appropriate for high school students!!

I am a drama coach and my students love this book. All of the scenes are well written and extremely fresh and dynamic. This book is a godsend for any teacher tired of mining the same old plays for fresh scenes for their students to work on.

I am a forensics coach with a mostly female team. I was upset to find out there is not ONE scene in here for 2 females, it is all 1 male, 1 female. We are in DIRE need of great writing for women...why can't we find any? We need to stop this trend now!

This book was delivered in excellent time and in the condition that was indicated in the advertisement! Wonderful!
