## Customer Reviews

Each calendar includes a protective matching gift envelope to preserve your calendar for years. Additionally all calendars include Black History facts and dates all year round!

Beautiful calendar, beautiful photos and good quotes on each page. I love it because it shows "The Man" not only as a Head of State but also his many other personal sides. And the photos are excellent! Fast delivery, all in all worth MORE than the CHEAP price.

I give these as family gifts each year so they are always anticipated. My young nephew is always happy to have it as a special piece of his room and loves looking through it and remembering different events, so it serves to reinforce what he has learned. He has used it as a show-and-tell at school.

Saving this along with other years to show next generation.

This is a very special time in American History and having a calendar on display in my home is very fitting.

Purchased 3 of the collectors calendars, and gave 2 as gifts. All agree that the calendars are beautiful, and love the storage envelope to keep them in after the year is over. Thank you

The pictures are so bright and beautiful. This calendar was a little costly but worth it. I love Obama and his family.

Loved this calendar. Made excellent Christmas gifts.

looks good on the wall
