Customer Reviews

Each year that this calendar has been out, have been buying two of each. Item arrived as expected, packaging was done well, no torn, folded, faded, bent or damaged calendar. Arrived in sealed wrap plastic, new. Its a 12 x 12 wall calendar. Artwork is done by Nene Thomas. 12 different fantasy women with dragons. Quality, paper type is meh. Seems most wall calendars are getting less and less sturdier, thinner every other year or so. Artwork looks great thou, printed quality is done well, color looks good. Suggest you buy those ring/holes supporter before hanging up your calendar so gravity does not takes it toll on slowly tearing at the paper (especially after the 6th month as the wall calendar gets heavier as you keep adding to the weight when flipping to new month). Great for any enthusiast of fantasy, gothic, witches, dragons, gaming, anime, or fans in general or calendar collectors. Buy two if you like collecting, one for hanging on the wall and one for collecting dust, storage box.
