Samantha Crespo has always enjoyed playing tourist in her own town. So when her family moved to Memphis in 2010, they jumped right in. She shares her discoveries as a regular contributor to travel guides and blogs for the city of Memphis and state of Tennessee. Follow @SamCrespo for ongoing trip ideas, and to share yours.

100 Things to Do in Memphis Before You Die by Samantha Crespo is a balmy reading for those seeking the most authentic experience in Memphis. Ultimately you will fall in love with the city and intimately in your heart you will grow a desire to visit Memphis. From their natural aquifers, the "Ghost River's Golden Ale", the "Venus of Memphis" and Graceland you will embark in a thrill ride that you'll never forget, leaving you with a huge appetite for more. If only this great book had some

photos to delight our sight! However, with Samantha vivid descriptions you can closed your eyes and walk the streets of Memphis while listen to "The Letter" by The Box Tops. Under the spell of this city that bears the name of one of Egypt greatest cities you will find that this pages will pave the way to your next adventure.

Wife from there and loves it.

I was a frequent traveler to Memphis, mostly for business, but was able to sneak in some sightseeing now and then. I've been wanting to go back, and this book has lit the fire once again.What a great find. I thought seeing Graceland and Beale street were it, but I'm sadly mistaken. I especially like the tips thrown throughout the book.I can't wait to go back now!

This book was not worth the money I spent. The idea of the book was good but the content was disappointing. I would not recommend this book.

I have lived in Memphis for a very long time and this book motivated me get off my butt and become better acquainted with my city! It is a sad realization that there are a number of non-mainstream jewels for which I had no idea. Often, the only things you hear about Memphis are negative. Samantha Crespo does an excellent job in shining a light on the positive!

I've lived in the Memphis area my whole life. I was searching for new activities to do with my 3 children. I purchased the book at a local bookstore in the area. It was so helpful and had no idea all the wonderful, fun things there are to do here!

I have lived in Memphis most of my life and I haven't realized how many things that I haven't experienced yet. I will also be able to show my out of town family a better tour of Memphis when they visit!Every city needs a book like this!!

I am a Memphis transplant from Atlanta. I've been in Memphis for 16 years...it takes more than four years to write an authentic book about what you must see in Memphis before you die. While I appreciate her mention of my friend, Tad Pierson's fabulous tours, the rest of the book is a very generic tour of Memphis.
