Customer Reviews

The geographic and cultural diversity of Florida are celebrated in vibrant color in this exceptional portrait of the Sunshine State. Within these pages you will stroll Canaveral National Seashore at sunrise, wrestle marlin off the Florida Keys, immerse yourself in the magic of Disney World, and glide through the haunting beauty of Everglades National Park. You will also rub elbows with Florida's varied population^{3/4}from colorful residents of Miami's Little Havana to contented seniors in lavish retirement communities. Accompanying the photographs are the words of some of Florida's best-known writers. 'Here in Florida the seasons move in and out like nuns in soft clothing, making no rustle in their passing.' - Marjorie Kinnan Rawlings.
