Synopsis

Travel back to the age of the great sailing ships, that once sailed beyond into the vast, unknown oceans, and experience the poetry and music of the brave seafarers, who sang through the long nights aboard these great ships. “Ships, Sea Shanties and Songs” contains the living history and deep feelings of the sailors, who bravely ventured afar from the safety of home, and explored the World, on board some of the greatest vessels that roamed the seven seas. This book contains the original lyrics, and illustrations from a bygone. But unforgotten age of adventure.
