Customer Reviews

Not For Tourists (NFT) released their first book, a guide to Manhattan, in May of 2000. Today, NFT produces eleven books each year, working closely with city and neighborhood editors in Atlanta, Boston, Brooklyn, Chicago, London, Los Angeles, New York, Philadelphia, San Francisco, Seattle, and Washington DC. Their offices are in New York City.

Ok

NFT does not have the quality of binding it used to have. I have an NFT for New York (years old) and it is extremely well bound and has a strap on it to help you keep your place. This one is not of the same quality. The information is helpful, but I still find myself relying on my phone for up-to-date info. Really, with smartphones, this book is no longer a must have.
