# SkyRocket Your Conversational Spanish, Volume 1

## Synopsis

With SkyRocket Your Conversational Spanish you will not only get a well-rounded Spanish vocabulary and fluency in a quick, easy and fun way while listening to relevant stories and articles, but you will also learn interesting facts that you can put to use in your daily life! Each chapter is designed to give you sufficient vocabulary practice so you feel empowered when talking with someone in Spanish about that subject. SkyRocket your Conversational Spanish is a book designed for those of you who have some previous knowledge of Spanish either because you studied it in school, or on your own, or your interest in the language has been revived but do not desire to start again from the beginning. This is a fun interactive way to review what you have already studied, learn new vocabulary, or to help you keep improving your Spanish communication skills! It's a great way to jump from beginner conversational Spanish to intermediate or advanced conversational Spanish. If you have never studied Spanish but languages come easily to you, you are welcome to give it a try!
