Suckling The Secretaries: Office Hucows

Synopsis

Sarah's got a checkered past and a huge rack. She needs a job, though, and she needs one fast. Lucky for her, Dairy Industrial is hiring. Pretty soon, Sarah will be wearing a bell, meeting "production quotas," and servicing her superiors at work -- all while supplying as much delicious cream as possible for her clients. WARNING: If you're looking for romance, this is not the story for you! Over the course of 8,500+ words, Sarah will be treated like a prized dairy cow -- and you're going to love every word of it!
