## **Synopsis**

About the Book: IQUITOS, PERU - A city of mystery, wonder and opportunity. Isolated, with no roads to the outside world and situated on the banks of the great River, deep in the Jungle of far north-eastern Peru. One of the most wild places left on earth. Seeped in superstition. The home of witch doctor Shamans, with their trance and vision inducing Ayahuasca potions. Guiding visitors desperately seeking their path in life or searching to find natural plant cures for an illness. Friendly indigenous natives migrate to Iquitos from their tribal jungle villages hoping to find a life in this century, despite not progressing since the stone age. Fortune seekers and foreign companies are working to exploit the rich resources of this Jungle region with its bounty of wood, oil, gold, minerals and plants for healing. Born by missionaries and raised in the days of the rubber boom, Iquitos is a unique, alluring, wild and fascinating place. "Iquitos - Portal to the " will take you on a pictorial tour and insight to this magical place. Filled with information, photos and references. A great book for anyone visiting Iquitos or the Jungle.

This is a very nice picture book and serves as an excellent introduction to this fascinating city. If you are considering a trip to Iquitos or the jungle around it, you should take a look at this book. Iquitos is often called "the capital of the , " and this book will show you why. It shows destinations to visit and all the sites and sounds you will see. I saw it at a retreat center when I visited Iquitos myself. It's a book I kept going back to. It's mostly photos. It has some good information as well. Just like the cover, the book definitely shows the best that Iquitos has to offer.
