Anne Manera is an illustrator, designer and author of coloring books and children's books. Her coloring books are inspired by her paintings. Anne also runs a facebook coloring group Just Color! with Anne Manera. When she is not illustrating coloring books or hanging out with her dogs, Manera is available for painting commissions. Visit her website - www.annemanera.com Facebook Page - www.facebook.com/annemanerascoloringbooks Join her Facebook Coloring Group - www.facebook.com/groups/juscolorgroup

For those who suffer Fibro, chronic pain, otmr any chronic illness this is YOUR book. Believe me from personal experience, I have colored 2 pages and read every page 3 times. In the back are blank designs that I plan on using as a type of journal. MAYBE on my worst days or maybe my, few and far between ,best days. PLEASE get this book, you won't be sorry. PLUS there is nothing hard and intricate , which I surely don't need. PLEASE see my pics attached. I'm just your average person and coloerer.

Anne Manera has delivered us yet another wonderful coloring book! The mantras, or sayings, in this book are right on target for those of us who suffer with fibromyalgia. I've not had an opportunity to color one of the pictures as of yet, but I have colored many of Ms. Manera's pages in the past. Her designs are mostly of larger spaces, leaving plenty of room for trying new blending techniques and doodles and tangles. They are ideal for those who want to color a page quickly and for those with dexterity and vision problems as well. I tend to prefer drawings with a little more depth; otherwise, I would give this a 5-star rating. This is based SOLELY on personal preferences!

I love this coloring book. Anyone with fibromyalgia or chronic pain can relate to the mantras. I like that it is easy to color as sometimes I get too tired to color anything intricate.

Just received my book and love it already! So many of us who have "invisible" chronic pain illnesses feel like no one understands. This book puts into words what I feel from day to day and are not complicated coloring for those days when the pain is bad I need the distraction to help with the pain. I am also pleased with the "extra" pages that I can add mantras that are specific to me. A great book for chronic pain warriors!

Having fibro myself, this book so relates to all I feel. Great illustrations in a book that is just enjoyable and fun.

I've have this book and have had the pleasure of colouring some of the pages.. They are no fuss, simple patterns.. easy to colour. designs, only limited to your imagination. There are 10 extra pages that you can colour and add your own Mantra to..

What a great coloring book for people living with Fibromyalgia and / or chronic pain. This book puts a positive spin on a medical condition that can be very difficult for many people. Great pages to color, positive mantras to inspire your day.

Just what I needed. This book is very inspiring and fun to color. Makes me feel like someone understands my pain. The drawings are fun and cute. I'd recommend this to friends.
