Rip off! In addition to this 5th edition, I also bought a previous edition (4th) that was published 3

years prior. I was hoping to have more tests that are newer, more to practice. Those are identical! Page for page! Publisher slapped a new work "Fifth" on it with a new price tag. That is all! Do yourself a favor and pay pennies for a previous edition.

Plenty of practice tests with explanations for every problem. Great resource.

It's pretty good close to real.
