Bed And Breakfast Ireland

Synopsis

When the Irish turn to a guidebook, *Bed and Breakfast Ireland* is the one they choose. With nearly half a million copies sold, *Bed and Breakfast Ireland* has been fully revised and updated for this fifth edition. The authors have undertaken extensive trips, south to north, east to west, to find over 400 of the best bed-and-breakfast accommodations in Ireland, from guests houses, small hotels, country mansions, private homes, and farmhouses. Informative, personable descriptions and practical information (including contact listings and websites) are accompanied by helpful maps. Compact, comprehensive, and charming, *Bed and Breakfast Ireland* will help make any Irish holiday a trip to remember.

Customer Reviews

Maybe you'll stay in the place described as a pre-Famine wisteria-covered farmhouse-one of several overnight options in Westport, County Mayo. Or maybe you'll opt for the large Georgian mansion just beyond an iron gateway in Ballymote, County Sligo. Maybe you'll stay in one of the other 400 or so accommodations in this revised and expanded version of the book that first hit the United States in 1996. Only an occasional line drawing interrupts the text; and in the back of the 319 page book, regional maps-which include ferry routes-cover the whole of the Irish Isle, from Londonberry and Belfast in the north to the Dingle Peninsula and Cork in the south. Each lodging entry ends with the names of the owners, season of operation and number of rooms. Prices are given in pounds-British or Irish. -- Chicago Tribune --This text refers to an out of print or unavailable

edition of this title.

Elsie Dillard formed the Elsie from England Travel Agency, which has specialized in personalized tours of Britain and Ireland for nearly 30 years. She divides her time between Seattle and the UK. Susan Causin worked for the British Tourist Authority in London for 11 years before settling in Seattle, where she now works with Elsie Dillard.

I wish more of the inland countryside had been covered. Otherwise the info it did cover, it did well.

I had the opportunity to use this book while on an extended vacation in Ireland. I had the use of several guidebooks, but this publication became the book of choice. I found the information to be timely and descriptions of the various B&B's to be accurate, including the personalities of the various owners. Only one time was I unable to contact a B&B using the information in the book and subsequent attempts revealed the telephone number to be disconnected. The guide offers a good selection of types, locations, and prices and is, in my mind, a "must have" guide when traveling in Ireland.

super

I had found this book after doing a search for Ireland Bed&Breakfast homes, 2014!! The book was published in 1996!!! So is of no use to me. The book should have been offered for sale with the date of publication prominently displayed.

Useless. We never used the book in Ireland. The book will list one or two B&Bs but when you arrive in town there at least a dozen to choose from and rarely are they completely full. A waste of money.

I ordered this book to help me with planning our vacation in Ireland. This book left me less than thrilled. The selection was not there, with 1 or 2 property's in each town, only a few had more. I need pictures and more info to make my plans. Sorry to say this was not the book I need.

A MUST FOR ANY ONE LOOKING INTO A TRIP TO THE ISLE. STILL .LENDING OUT TO FRIENDS WORTH THE MONEY FOR A COUNTRY STAY.

This has a lot of well written description of bed and breakfasts. However, it lacks the folksy touch of Rick Steeves publications, which I give five stars to.
