Shampoodle (Step Into Reading)

Synopsis

It's picture day at the dog park. But before the first photo can be taken, an exuberant pack of pups needs a bit of grooming. So they're off to Shampoodle, the local pet salon, where the eager dogs simply cannot sit still. And when some curious cats stop by, things go from messy to mayhem. Shampoodle is perfect for animal lovers and children who are just starting to read on their own, taking their cues from lively art and bubbly, rhymed text. Step 2 Readers use basic vocabulary and short sentences to tell simple stories. For children who recognize familiar words and can sound out new words with help.

This is a really cute easy reader. I bought it because my daughter bathes dogs and I have an Old English Sheepdog.

Kids weren't too amused by this book, but someone else's might love it.

This book is OK. Not great. I am always looking for books that have dogs in them as I meet with children as part of a library reading program. My therapy dog accompanies me and the kids read to the dog.

Good book for beginner readers

Such a cute book perfect for learning readers. The pictures are great.

Funny story. Granddaughter loves

A fun giggly book.

Fun book for 4 year old granddaughter. Looking at the different kinds of dogs and their hair styles. Cute story.
