Customer Reviews

This was an absolute life saver our last family vacation, and it was enjoyed by the whole family! My 3 and 6 year old boys loved listening to the stories, as well as my husband, a long time fan of Adventures in Odyssey and audio books as a whole. Each cd has a new adventure, which I really enjoyed. I love how this one has 6 hours of stories, instead of 2 like several other sets have. This was our first purchase of adventure in odyssey cds, although we have listened to them on the radio before now. I see adding more stories into our collection in the future! Thank you for putting together

a road trip collection!

My kids have listened to this over, and over, and over in our car. It's been great for them to have challenging and character building stories. I'd buy all of the Adventures in Odyssey CD's if they were more affordable! This is definitely something I will continue to add to their "shared collection".

One of the best Odyssey series we own! We surprised the kids with this on a recent road trip and it was a HIT!

This was a gift for my grandson. He cannot get enough of these stories. This particular set of cd's have played non stop since he received them. The ordering experience was easy. Delivery was prompt, items undamaged.

The first CD made me nervous as the kids model really bad attitudes starting each story (and eventually reform), but the rest of the discs were the fun adventures I was hoping for. My boys love these!

This cd set provided great entertainment for our 28 hour trip. The kids listened to them over and over.

My 6 year old grandson loved listening to these adventures for hours on end while we took a 1600 mile road trip with him over 3 days. They were definitely a lifesaver!

My 5, 7, and 9 year old thoroughly enjoyed these stories on our last road trip. Will be purchasing many more. Hoping for more series/ multi packs.
