I ENJOYED THIS MOVIE OF REAL LIFE EVENTS OF TWO OF THE GREATEST ADVENTURERSEVER. I ONLY WISH THEY WERE HERE TODAY THIS BOOK KEEPS THE EVENTS ALIVE.THANKS MARTIN & OSA ALAN .

It is a used book of some age and it was what I expected.

Osa was only 20 yrs old when she married. Then off they sailed away into the South Pacific Islands. Her husband's quest was to take actual pictures of cannibals in action. She goes on to describe her experiences as a young white female among South Pacific natives of various islands. The cultural differences at times shocks, amazes and distresses Osa, who was brought up in a traditional early 20th century American household. An interesting read for those interested in South Pacific literature.
