# All Star Pride (Lightning On Ice)

## Synopsis

Their goal is to beat the Russian All-Stars in a best-of-seven series to be shown as a television special. Hog Burnell, one of the biggest and toughest players in the league, is happy to be part of it. He could use the money that would come with a series win by the WHL All-Stars. At the very worst, it's a free vacation to Russia. It doesn't take Hog long to discover there's plenty more money to be made along the way if he's willing to pay the price for it.

## Customer Reviews

I enjoyed this book by Sigmund Brower. He really knows how to catch the reader's attention with short chapters that persuade you to read "just one more". All Star Pride was very interesting especially because it takes place in Russia, where Hog Burnell's hockey team is playing. There's illegal Russian things that Hog gets tied up in, there's a lot of hockey lingo and of course... mysteriousness. It's really written for boys, but hey, can't a teen girl read it too?

ALL-STAR PRIDE is about a guy named Hog Burnell. He is a part of the WHL (Western Hockey

League), which is a step below the NHL (National Hockey League). He is going to play on the all-star team against Russia. They even get to travel to Russia for the games! They are going to have a seven-game series, and the first team who wins four games wins the series. Hog does not realize, though, that hockey isn't the only thing they'll be doing. There is plenty of more money to be made in Russia. Soon Hog finds himself on the borderline of what is right and wrong: do I join in the schemes to make more money while in Russia? ALL-STAR PRIDE is a thrilling story that will pull you in and not let you out until the book is over. I hope you consider this book for reading because I really liked it. Reviewed by: Mike

"I was unable to put it down... if you like hockey, you'll love this series!" (Andy, 11 years old, telling you what Ron MacLean, host of Hockey Night in Canada, said about this book.)
