Yoshiki Nakamura is originally from Tokushima Prefecture. She started drawing manga in elementary school, which eventually led to her 1993 debut of *Yume de Au yori Suteki* (Better Than Seeing in a Dream) in *Hana to Yume* magazine. Her other works include the basketball series *Saint Love*, *MVP wa Yuzurenai* (Can't Give Up MVP), *Blue Wars*, and *Tokyo Crazy Paradise*, a series about a female bodyguard in 2020 Tokyo.

I have been reading this series since 2005. I adore the characters, plot, and comedic/romantic tones that it carries. The three volume combination is such a great money saver for me as I have been

waiting to own this series for a loooong time now. The quality of the pages are thinner but that doesn't deter away from the art or contrast quality. Please continue with the series 3-in-1 and Yoshiaki Nakamura, continue your wonderful work!

My number one shojo manga. The main character kyoko develops through series and becomes one fine "not teenage girl any more" girl, who finds new sides of herself and the story is just amazing and characters are wonderful. Just my favorite one

Another great set of chapters in the best manga I've ever read. Finally, we get to learn about Kyoko's mother!

This is a charming series and reading it in the larger 3 in 1 style is the way to go.

Love this series! It continues to be one of my favorites.

Skip Beat is a great manga and I would recommend it to anyone who likes an awesome story! I'm ADDICTED to it! It makes me laugh and it's so well written that you get a really good grasp of the characters. I can't wait until the next one comes out!!! Another manga that is kind of similar to Skip Beat! is The One, which is another addictive manga. Tokyo Crazy Paradise is another work by Yoshiaki Nakamura that is completed and it is EXCELLENT!!! If you can find it translated, read it-you won't regret it!

Dang. It's nice to know a little more about Kyoko's past from her mom. But now I have to wait for the next book to find out more!

good read
