## **Customer Reviews**

Hold your baby close. It's never too early to begin to hide God's word in your baby's heart. Enjoy the treasured times as you share these ageless Bible stories with your little one again and again.

Melody Carlson has written more than 200 books for teens, women, and children. Before publishing, Melody traveled around the world, volunteered in teen ministry, taught preschool, raised two sons, and worked briefly in interior design and later in international adoption. "I think real-life experiences inspire the best fiction," she says. Her wide variety of books seems to prove this theory.

I was expecting something in a little more Biblical form, rather than just Bible stories. It made an OK gift ....just not what I expected.

The book is a lot smaller than I thought. And not child friendly

I love it

This Bible has a lot of stories so that is great. The cons are: each stories is a 4 line poem leaving out a lot of the story and the pages are paper instead of hard cardboard so they bend very easily.

Very sweet gift for my new grandson. It isn't very big, but is a good start for parents to begin reading about the Lord to the little one. There is also a page for an inscription.

This book is so cute. Simple poems retell stories from the Bible with adorable art work. It's not just for babies. Toddlers will love it too. And there is also a blue version for boys.

My new 4 month grandson should enjoy having these stories read to him before bedtime or nap time.

I love it!
