Cheap Eats Shanghai: An Insider's Guide

Synopsis

Cheap Eats Shanghai is a restaurant guide designed to help you experience Shanghai food culture as a local would and without breaking the bank. The result of two years' research by an expat foodie, using restaurant review sites, food and restaurant magazines and his own nose, the guide shows you the best food and restaurants Shanghai has to offer, covering a vast range of cuisines and selected purely on taste, atmosphere and price. Many of the restaurants featured don't see many foreign customers, so this guide, with its recommended dishes, translated menus, phrasebook and easy-to-follow directions, provides a true culinary adventure.
