## Customer Reviews

Our US phones didn't work well in Canada, so having this detailed street map of QC was perfect. It gave us a good perspective of the whole city but had enough detail for us to find our way around easily.

Did not realize that this entire map is in French

very happy with the map you provided me with. It was detailed in such a fashion that we had no difficulty whatsoever finding our route into QC. Thanks again, Alyce

Just a map

Some of the smaller streets can't be found on map.

We walked everywhere and this map was indispensable. It also helped as we decided where to foray outside of the city limits.

Perfect detailed map! Very helpful to have.

Small and easy to fit in a purse. Good map
