I am a pre-med college student taking the course "Theology and Spirituality of Ministry." I found this book very helpful since I am involved in parish ministry. I also think much of what it discusses can be applied to other ministries, such as those in the medical field where I hope to work one day. I strongly recommend this book.

An excellent book on the topic of ethics in Church ministry. I use it in my course in the DMin program.

Fr. Gula presents deep insights into the nature of Ministry. He has an accessible style of writing and presents the issues around Pastoral Ministry in a clear manner. I read this as part of a course on Pastoral Ministry and I highly recommend it to other lay ministers.

good book

I thought he covered well all the points he listed. I give it 4 stars.

This is one of my reference textbooks introduced by my seminary teacher. Also, I want to learn more ethical issues before I become a missionary or pastor. It is useful when you face ethical problem and want to realize those trouble.

Thank you
