Customer Reviews

Intense is an amazing manhwa. The dialogue is brief, but sharp, and the illustrations are gorgeous. In this volume, Soohan gives in to Jiwoon's honest, "weird" raw passion. He finally admits to himself that he's attracted to this beautiful, strange boy who likes him so openly to the point that Soohan gives up his secret. But Jiwoon's life is nothing but hard and the terrible trauma he experienced as a child, coupled with the cruel way he was raised by his father's killer, have left him emotionally scared and stunted. The way Jiwoon feels for Soohan is surprising to the both of them, since in order to survive, Jiwoon has suppressed his thoughts and emotions to the point he can't recognize that "being weird" is not a good thing. Soohan, on the other hand, is able to get past Jiwoon's

emotional dissonance, and recognizes the raw need for love and validation Jiwoon suffers from. Each volume of Intense is brief, but carries an emotional impact. Can't wait to see what the future holds for the poor outcasts who found each other in brothel alley.

The story may be slow paced, but is very lacking in well character depth and plot development for me. I wasn't interested in the characters, and the character reasoning for their feelings seemed very bland. The art may be nice, but not enough for me to remain interested in the plot development. This may be good for some, but not for me.

Cute story!

Their secrets start to unfold and the emotions are so deep you'll feel yourself shaken as any of the characters are.

Fabulous series - buy all books at once, you won't regret it. I hope to find more written by Kyungha Yi.

A beautiful bl story! My favorite series so far! Exquisite.
