Customer Reviews

wide variety of ways to increase your income with little to NO downside. I LOVE it!!

Very informative. Subjects you never converse about during a conversation. Can't wait to read the entire book. Zach has surely done his research! !!

Many of the courses to make money were wonderful. In fact, I've already tried Airbnb!! Fantastic!!!

Good book on some ideas that are frequently over looked. Nice to have this book in my reference list.

Great ideas for making money. I especially liked the high dividend paying stock and dividend reinvestment idea.

Good to have all the ideas in one place, makes it easy to refer. I wish I had them little early in my life.

There are some decent ideas in here but nothing that would shock or amaze you. Scheidt is one of the financial newsletter peddlers for Agora, and this "book" is more or less a conduit for him to get you on his email list. Proceed with caution.

The premise is good. I just didn't have enough time or enough money in my brokerage account to be able to execute all the recommended trades. Also, it is a little expensive to subscribe to the service. If circumstances change for me I may give it another try in the future. The book is pretty in the future good.
