The Social Work Practicum: A Guide And Workbook For Students (7th Edition) (Connecting Core Competencies)

Synopsis

Note: This is the bound book only and does not include access to the Enhanced Pearson eText. To order the Enhanced Pearson eText packaged with a bound book, use ISBN 0134403320. In the new edition of Cynthia Garthwaitâ€™s The Social Work Practicum, theory and practice combine to offer a unique format for understanding, structuring, implementing, and evaluating practicum experience at both the BSW and MSW levels. This book provides a structured and yet individualized map for gaining the competencies required of social work professionals. The format integrates theory and practice to walk readers through the process of acquiring knowledge, developing skills, and enhancing social work values, and the unique format provides a solid background for understanding, structuring, implementing, and evaluating practicum experiences at both the BSW and MSW levels. The chapters are sequenced to allow for ongoing professional development, while clarifying expectations for applying knowledge and providing experiential learning opportunities that lead to professional competencies. This edition offers new content on such important topics as professional licensing, organizational communication, planned change process, evaluation of practice, trends in social policy relevant to social work, social problem analysis, social policy formation, and leadership. The Enhanced Pearson eText features embedded video and assessments. Improve mastery and retention with the Enhanced Pearson eText* The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience. Convenient. Enjoy instant online access from your computer or download the Pearson eText App to read on or offline on your iPad® and Android® tablet.* Affordable. The Enhanced Pearson eText may be purchased stand-alone for 50-60% less than a print bound book. * The Enhanced eText features are only available in the Pearson eText format. They are not available in third-party eTexts or downloads. *The Pearson eText App is available on Google Play and in the App Store. It requires Android OS 3.1-4, a 7" or 10" tablet, or iPad iOS 5.0 or later.

Customer Reviews

Theory and practice combine to offer a unique format for understanding, structuring, implementing, and evaluating practicum experience at both the BSW and MSW levels. This book is geared at preparing students for professional practice by providing a structured and yet individualized map for gaining the competencies required of social work professionals. The format integrates theory and practice to walk readers through the process of acquiring knowledge, developing skills, and enhancing social work values. The unique format provides a solid background for understanding, structuring, implementing, and evaluating practicum experiences at both the BSW and MSW levels. The chapters are sequenced to allow for ongoing professional development, while clarifying expectations for applying knowledge and providing experiential learning opportunities that lead to professional competencies. While building on the time-tested features of previous editions which have successfully lead students through practicum learning, the Seventh Edition offers new content on such important topics as professional licensing, organizational communication, planned change process, evaluation of practice, trends in social policy relevant to social work, social problem analysis, social policy formation, and leadership. The book's concise chapters, paired with numerous learning experiences which can be tailored to individual university social work programs, offer instructors a wealth of content, learning opportunities, and ways to measure learning outcomes. Invigorate learning with the Enhanced Pearson eText The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content with the following multimedia features: Embedded videos . Enrich the students' experience with the text by giving them direct access to author-selected videos on professional demeanor, roles, communication and other skills, and other topical videos related to field experience. Multiple choice tests and short essay questions. Help to measure learning outcomes: Major

Section Quizzes in short-answer (essay) format give students the opportunity to apply what theyâ™ve learned along the way as they read each major chapter section. A Chapter Review Quiz in multiple-choice format appears at the end of each chapter, with feedback for the correct answer.

Cynthia Garthwait is Professor of Social Work at the University of Montana - School of Social Work, and has 28 years of social work education experience.Â She has served as Chair and Practicum Director at the University of Montana, in addition to teaching at both the BSW and MSW levels.Â Having taught across the social work curriculum, Professor Garthwait teaches gerontology, human behavior, addictions, and advanced practice courses.Â Her research interests include aging, service learning, best practices and spirituality.

The social work practicum is likely to be required for any senior BSW student, so there's no getting out of buying it. However, I have not found it particularly stimulating; the chapters are short, which is nice, but it is more informative about the internship process than educational on how to practice social work. To its credit, as an information source for the way the internship, the book is written in a very easy-to-read sort of manner.

For school, great book

The book is in very,very good condition but the packaging was way to big so the weight was too much for such a light book the cardboard material to bulky and heavy.

Not worth the money. Similar to a middle school work book. It may be helpful for individuals who are completely new to the field of SW. Would not recommend otherwise.The online practices that come with the brand new book are also unhelpful and seem to be geared to individuals who have no understanding or are not familiar with the practice of social work.

The package was open and the book was wet.

Great book for class.

This "textbook" reminds me of middle school! There are very short chapters and short questions at

the end of each chapter. These question sheets tear out for turning in. I thought all this info was common sense, and my professor realized how silly this book was 1/2 way through the semester and we stopped using it.

Needed it for my class was a good price
