123 Chicago (Cool Counting Books)

Synopsis

Kids will count from one to 10 with some of Chicago's most beloved symbols—the Sears Tower, the el train, Navy Pier fireworks, Chicago-style hot dogs, and deep dish pizza—in this board book featuring contemporary illustrations, dazzling colors, and bold, clear design. The end of the book includes a complete location list, in both English and Spanish, to help parents locate the symbols and landmarks and plan an entertaining trip to Chicago.

Customer Reviews

"These board books are super-quick reads with all pictures and numbers. Perfect for teaching my two year old to count." — www.classymommy.com on the Cool Counting Books series

"These books are really colorful and fun." — [The Examiner](http://The-Examiner.com) "We can count on reading 123 Chicago everyday in our house. It's on [our daughter's] most-requested list." — DailyCandy.com

"Here's a twist on the traditional count-to-ten board book. What's neat about this book is that the final pages include full descriptions of each icon or place, in English and Spanish." — [The Full Mommy](http://The-Full-Mommy.com)

"This is a great counting book and its perfect for the little ones that are learning to count." — [Cindy's Love of Books](http://Cindys-Love-of-Books.com)

"These may be the coolest counting books ever. Simply illustrated with graphic images, you can count along to 10 with the icons of famous cities, states, and the country." — [Cool Kids Gifts](http://Cool-Kids-Gifts.com)

"We can't wait to share

the whole big world with the little people in our lives, especially some of our favorite places right here in the USA. Is there any way Chicago-style pizza could make an acceptable first food for baby?" —Pregnancy & Newborn magazine (March 2011)

Puck has worked as a writer, an editor, and a translator for national publications and publishing houses. Kevin Somers is an author and artist who has worked in comics, animation, fine arts, and publishing for more than 15 years. He is the author of *Meaner than the Meanest*, the writer and illustrator of *The Incredible Hulk: Project Hide*, and the illustrator of "The Lazy Person's Handbook: Shortcuts to Get Everything You Want with the Least Possible Effort. They both live in New York City.

My 1 year old daughter loves this book, the pictures are bright and distinct (there are no words so the sky is the limit on how you tell the story when you're not counting) The construction of the book is a standard board book and has held up nicely with some normal abuse. There are two pages at the end that have explanations of each page, if you're like me and can't remember what the Wrigley building looked like.

Sadly it was missing a page. I know because we already had the book. This was a gift for my friend and it was missing the #1 page!

simple on the inside, but perfect for a little kid to learn from.

This book is simply adorable. Great board book for the youngsters. Bought this for my niece that lives across the country!

This book was very cute! We loved the bright colors and the pictures of Chicago to share with our little one.

This is a cute book, I love the tie in with things from Chicago. However, the front and back covers are printed upside down. I do not think it is supposed to be like this. It is a little annoying for a small child (or parent reader).

I think my title pretty much sums up what I have to say about this product. There are pictures that

are Chicago-related but no actual words about them. Wish I had not bought this.

Gave as a baby shower gift to a girlfriend who lives in Chicago. It was a big hit! Came on time, no concerns.
