# A Little Book Of Craftivism

## Synopsis

Craftivism is a movement that aims to raise social consciousness through the medium of craft. This book introduces some of the ideas of the Craftivist Collective, a worldwide group making mini-banners and small urban installations that touch upon issues of environmentalism, corporate greed and gender equality in a warm, humorous way. A spoonful of craft helps the activism go down!

## Customer Reviews

Sarah Corbett is the driving force behind the Craftivist Collective; a worldwide group of activists, expressing their socio-political views through the medium of craft. She runs lecture series and workshops around the UK and New York.

Small, short, simple and exactly what you need for a basic understanding of craftivism and how one woman transitioned to this unique way of protesting.
