## Synopsis

Opinionated reviews: No bland descriptions and lukewarm recommendations. Based on a detailed personal inspection, our author covers lavish beachfront resorts, intimate rain-forest B&Bs, family-friendly condos, and much, much more. Our dining reviews are simply the best in the business, whether you crave cutting-edge Asian-fusion cuisine or a hearty, affordable plate lunch. Insider Advice: Meticulously researched by one of Hawaii's most noted journalists, this is hands-down the most reliable, up-to-date, and comprehensive guide to the islands. Our author makes sure that you'll truly experience the spirit of aloha, and she'll help you steer clear of anything that's overpriced, touristy, or inauthentic. Where to find secluded beaches; secret spots for snorkeling; the best outfitters to choose for everything from diving to deep-sea fishing; and where to find the top galleries and shops. Whether you want to golf, snorkel with sea turtles, take the road trip of a lifetime on the scenic Hana Highway, or simply kick back with a mai tai to watch the sunset, you can design the perfect trip with Frommer's Maui. Exact prices listed for every establishment and activity--no other guides offer such detailed, candid reviews of hotels and restaurants. We include the very best, but also emphasize moderately priced choices for real people. User-friendly features including star ratings and special icons to point readers to great finds, excellent values, insider tips, best bets for kids, special moments, and overrated experiences. Inside you'll find extensive coverage of family-friendly accommodations and activities; tips on how to get married in the islands; recommendations for the best honeymoon resorts; and valuable advice on finding the best airfares and package deals.

This is the only book you'll need for a trip to Maui. Purchased this book for a 5 day trip to Maui. Frommer's does a great job of organizing their books, and this one is no exception. Fantastic maps of the island and attractions- didn't even need my GPS. One section details potential itineraries based upon length of stay- found this to be very helpful identifying the must-see points of interest. Everything in the book was accurate and detailed, including information on local stores and vendors. Glossary in the back is key for quick-lookup of specific vendors/activities, and despite the length of the book, was easy to skim through and find what you are looking for. One tip: After buying the book, would recommend exploring reservations, as some activities are so popular that although the book didn't indicate a reservation was needed, it definitely was due to popularity.

Love all the info...but wish there were more choices for lodging in the book! Having to look farther on line. thanks tho:)

This guide takes out all of the work involved in searching all the the internet to figure out what to do. The interesting thing is that even though this tells you a lot of information our plan is to stay at the beach and the pool and relax. But can't fault the book for that.

Lots of information, lots of good tips. It is a Frommers guide, It is not a Rick Steves type of guide. it helps before and after the trip.

Love the information!!! I am going to Hawaii in February of 2014 and looking forward to the information provided in this guide to help enjoy the trip just a little bit more, if that is even possible.

This book was excellent for information on our trip to Maui. Between this book and Trip Advisor our trip to Maui was a success. Highly recommend.

This book tells you everything you need to know about Maui, from where to stay and eat to where to

find the best beaches. I will definitely use it this year on our trip to Maui.

helped when planning trip. Maps are great. took this everywhere on our trip. used it for the maps and places to eat.
