Customer Reviews

a necessary addition to your main civil pro textbook. it's tedious, but it'll help you in class for sure. a must use for the exam.

EXCELLENT!

Just what is necessary for my Civil Procedures class. Some of the other class members have a different version and when the instructor gives assignments based on page numbers it can be confusing.

Awesome

The book is clean and very new, found no marks on the pages. Delivery is fast. Purchase experience is great.

There were huge stickers on the front. I am all for advertising but I would not have bought this book with stickers; I would like to have been told before hand.
