Wipe Clean Workbook: Pre-K (Scholastic Early Learners)

Synopsis

Wipe Clean Workbooks - Pre K is a colorful, wipe-clean workbook to support children in their early learning. Provides plenty of practice for children on a wide range of early learning topics. A wipe-clean pen is provided, the wirebound book lies flat, and the glossy card pages are easy to wipe clean so that children can practice until they have really mastered a topic. This Pre-K book focuses on writing letters and the sounds they make, writing numbers, sequencing, colors, shapes, and opposites. Scholastic Early Learners: Interactive books for hands-on learning. Perfect for babies, toddlers, preschoolers, kindergarteners, and first graders, too!

Customer Reviews

This book is okay. I wish it had more lines for practicing tracing. But I like that you can easily wipe off and it doesn't make a mess. I use regular white board pens on it and it's fine.

I really like this book for my 3 1/2 year old. The only down side is the pages are a little busy and he tends to get distracted when working in this book but other than that it is great. There are a variety of things for him to do in this and it keeps him entertained and challenged.

We were going through a ton of workbooks for our daughter until we found this. She really enjoys working on this even if she's done the exercise before. I imagine it would be great for a daycare.

Very affordable and easy to use. You can clean it over and over again. Very well built product

Purchased this book for my nephew for Easter and he loves it! I would recommend you purchase additional dry-erase markers and a bigger eraser. This item only came with a tiny black marker with a tiny eraser attached at the end.

My girls love this workbook! I love that it wipes clean so they can practice their letters and numbers over and over again. A great way to make learning fun.

As soon as my three year old received this book, she was super excited & now calls it her "homework" book. Very easy to use and wipes away clean. I love teaching her w/this book because all the letters are large enough for her to clearly understand & see what needs to be traced.

My daughter loves this book. Great concept to motivate learning. Just need to find a way to keep better track of the marker.
