Peyton Manning: The Inspiring Story Of One Of Football's Greatest Quarterbacks (Football Biography Books)

Synopsis

Learn the Incredible Story of Denver Bronco Peyton Manning! Read on your PC, Mac, smartphone, tablet or Kindle device! In this newly revised 2017 edition of Peyton Manning: The Inspiring Story of One of Football's Greatest Quarterbacks, you'll read about the inspirational story of football's star, Peyton Manning. This short unauthorized biography of Peyton Manning highlights the greatest moments of his career. Peyton Manning has cemented himself as one of the best quarterbacks to ever play the game of football through his extensive impact on the Indianapolis Colts and Denver Broncos. In this book, we'll explore Peyton Manning's journey to the NFL, as well as his impact on the game. This book details what makes Manning so great and his magnificent career as one of the most prolific quarterbacks to ever play the game. Here is a preview of what is inside this book:

- Childhood and Early Life
- High School Years
- College Years at University of Tennessee
- Peyton's NFL Career
- What Makes Peyton Manning So Great?
- Peyton's Obsessive Behavior
- Peyton's Bad Post-Season Luck
- What is Next for Peyton?
- Peyton Manning's Legacy

An excerpt from the book:

While many will claim that various quarterbacks are the greatest of all time, no other name comes up more often than Peyton Manning. And nobody can argue that his record does not befit this status. He has won five NFL Most Valuable Player awards, the most by any player. He also currently holds the league records for most passing yards and most passing touchdowns. He runs a no-huddle offense like nobody's business. He was also able to turn around the Indianapolis Colts' losing ways after the growing pains he endured his rookie season. He has reached the postseason in all but two seasons, and he won two Super Bowls. Aside from Tom Brady and his five Super Bowl victories, it is hard to argue any other NFL quarterback can be considered the greatest of all-time except Peyton Manning. Peyton Manning is acclaimed for harnessing a passion and competitiveness for the sport of football greater than anyone has ever seen. In fact, many believe that he is compulsively obsessed with winning. Growing up with his father Archie, who played professional football as a quarterback with the New Orleans Saints for most of his career, along with having two brothers who are also extremely passionate about football—Peyton was practically bred for the sport. Even at the early age of 3, Peyton was already learning how to throw a football. His younger brother, Eli Manning, is a professional quarterback for the New York Giants and also a two-time Super Bowl winner. Football is in Peyton's blood, to say the least. While Peyton has crushed many NFL previous records, he still could never be satisfied with his results. He always wants to become better. Anyone who knew Peyton on the field would classify him as being extremely obsessive about his goal of perfection on the football field. Peyton simply

could never be content with his results, no matter his accomplishments. Customer Reviews

This biography was put together well and structured very nicely. I enjoyed reading it, even though biographies based on sports stars aren't usually the types of books I regularly read. I actually read it all the way through in one sitting because it really held my attention. The book starts out telling about Peyton Manning's early years, back when he was still in school. It goes into vivid detail about his skills, strengths and weaknesses, and challenges that he faced and overcame. It talks about his family life and how he ended up in the NFL. The way this author breaks down the content and puts everything together makes this book very easy to follow, interesting and highly informative. It's definitely worth a read-through!

It's Payton F*****G Manning! Buy it!!!!!!

I bought this book for my 3rd grade son. He chose Peyton Manning for his "hero" project. The book is a great book and it provided all the information we needed for the presentation. It was a bit above his reading level but we enjoyed reading it together.

Not written very well. Too many statistics that were repeated in other chapters. Reader kept rereading the she material. Understated was unauthorized. Peyton Manning would not have approved of it.

Great

Not enough about his personal life. I had hope that he would tell more about that aspect.

I thought there would have been more material. However, I did enjoy what there was.

amazing
