Customer Reviews

J.K.Rowling has woken up a whole generation to reading The Times The Harry Potter books are that rare thing, a series of stories adored by parents and children alike Daily Telegraph The most remarkable publishing sensation for a generation ... the story is told with such momentum, imagination and irrepressible humour that it can captivate both adults and children Sunday Express Hooray for Harry Potter ... [Harry's] adventures are as funny as Roald Dahl's stories and as vivid as Narnia books - and adults seem to enjoy them as much as their children Daily Mail --This text refers to the Paperback edition.

J. K. Rowling is the author of the beloved, bestselling, record-breaking Harry Potter series. She started writing the series during a delayed Manchester to London King's Cross train

journey, and during the next five years, outlined the plots for each book and began writing the first novel. *Harry Potter and the Sorcerer's Stone* was published in the United States by Arthur A. Levine Books in 1998, and the series concluded nearly ten years later with *Harry Potter and the Deathly Hallows*, published in 2007. J. K. Rowling is the recipient of numerous awards and honorary degrees including an OBE for services to children's literature, France's Légion d'honneur, and the Hans Christian Andersen Literature Award. She supports a wide number of causes through her charitable trust Volant, and is the founder of Lumos, a charity working to transform the lives of disadvantaged children. J. K. Rowling lives in Edinburgh with her husband and three children. Kazu Kibuishi is the creator of the New York Times bestselling *Amulet* series and *Copper*, a collection of his popular webcomic. He is also the founder and editor of the acclaimed *Flight* anthologies. *Daisy Cutter: The Last Train*, his first graphic novel, was listed as one of the Best Books for Young Adults by YALSA, and *Amulet, Book One: The Stonekeeper* was an ALA Best Book for Young Adults and a Children's Choice Book Award finalist. Kazu lives and works in Alhambra, California, with his wife and fellow comics artist, Amy Kim Kibuishi, and their two children. Visit Kazu online at www.boltcity.com. Mary GrandPré has illustrated more than twenty beautiful books for children, including the American editions of the *Harry Potter* novels. Her work has also appeared in the *New Yorker*, the *Atlantic Monthly*, and the *Wall Street Journal*, and her paintings and pastels have been shown in galleries across the United States. Ms. GrandPré lives in Sarasota, Florida, with her family. --This text refers to the Paperback edition.

I was disappointed to see that entire words were missing through out some of the books which made it difficult to read in some areas. By the time I reached those points in the books it was too late for a refund. There is more than this one page that had faded words, but this is the only picture I took to show as an example. I suggest going through all of the books to make sure nothing like this has happened to you

The book arrived in timely fashion and was as described.

My son needed his own set of *Harry Potter* Books, he loves this series.

One of the better entries in the *Harry Potter* series. All of them are good, this one stands above most of the other (with the exception fo the half blood prince in my opinion). It's a great long read with lots of action, story line and a great plot development.

I LOVE HARRY POTTER!!! WOOHOOO!!! I'M so happy I finally finished this book! I liked it very much. It only took me a lot of time to read it cause I never really liked the second of this series or any series. I finished it this morning in the bus and I just felt like I wanted to scream that I WAS FINISHED!!!OK. Let's talk serious about this book now. ***SPOILER ALERT*** (even if everyone already read the book or saw the movie, like daw)-Professor Lockhart really got me on my nerves the whole freaking book! I'm so glad that ass lost him memory! He's so stupid and I am so mad at him that he stole all his stories from other wizards adventures. He's a coward!-I would not like to go to a school full of petrified people getting attacked and killed. But it's worth it if your going to Hogwarts and that Harry Potter is there to save the day :P-I love the character Dobby!! But, I'm mad at him from trying to save Harry Potter with the Budger (if we write it like that) or the letters that he stole... I just love when Harry says "Just please don't try to save me again", but we all know that that won't happen :(I pity Dobby, I think that he's just so cute and deserves to be free (well now he is and I'm glad about it).-I was suspecting Dobby or professor Lockhart all along for the air of Sliterin. I thought that maybe Dobby was helping his master(Lucius) that wants that Harry Potter dies by being killed by Voldemort. (cause you know, Lucius works for Voldy). But, Dubby was only warning Harry that he might be killed by Voldemort on his second year at Hogwarts.-Well I can't think of anything else that you don't already know so.. yaGoodnight people of the world

I just turned 30, but I absolutely ate up the first four Harry Potter books! They brought back great Narnia and Wizard of Oz memories from my childhood. The stories and characters were complicated, rich and just plain fun enough that even "old" me loved them!! realize I'm not telling you anything you haven't heard before, but I wanted to add my two cents and say that Harry Potter is a modern classic. I'm positive my *grandchildren* will be reading these books alongside the Narnia and Oz books, and loving them. I don't doubt for a moment that I too will enjoy dusting them off in the years to come and taking a mental spin with Harry on his Firebolt at Hogwart's -- even when I'm an old granny.

You don't have to be a kid to get into the Harry Potter craze. After reading the first two of the series, I'm likely to read the rest. Rowling captures the concerns of children and adults everywhere-the desire to be wanted and accepted, to feel safe, to be appreciated, have good friends, to learn and have adventures. The characters are distinct, memorable, and charming in original ways. I love the all-flavor beans, the Quidditch matches, Dobby's self-punishing behavior, and polyjuice potion. Very

entertaining. A nice change from what I usually read. ~Joan Mazza, author of DREAM BACK YOUR LIFE and DREAMING YOUR REAL SELF

Harry Potter and the Chamber of Secrets is the second novel in the Harry Potter series. I grew up reading this series and fell in love with it. I lost a few books out of my set, and ordered the ones I was missing off . My book arrived in good condition; it was a paperback copy. I purchased it used, and I was happy with the condition of the book. In this book The Chamber of Secrets gets opened and attacks start happening on the students in school. Harry, Ron, and Hermione spend the book trying to find out who is behind these attacks while attending their second year at Hogwarts School of Witchcraft and Wizardry. I enjoyed this book as a young adult and I enjoy it still. I don't want to give away any spoilers so I won't go too much into the summary of the book. The book is very well written, and being only 251 pages it didn't take long for me to finish. Once I started I didn't want to put it down, and thoroughly enjoyed the twists and surprises in this book. JKR is an amazing, author and person, too.
