A Boy After God's Own Heart: Your Awesome Adventure With Jesus

Synopsis

Boys have a lot competing for their attention, and peer pressure can be tremendous—making it a challenge to encourage them toward the things of God and living the Christian life. Jim George helps young guys to understand why God is important in everything they do. And he teaches that the Bible has the answers for all the questions and issues they face as they grow older. Boys will learn—the value of honoring and respecting their parents—the keys to making right choices and decisions; how to choose the best kinds of friends and be a good friend; the benefits of taking school seriously and being responsible; the need to follow after God by reading the Bible and spending time in prayer. This book includes discussion questions and interactive material, opening a whole new world for boys, pointing them in the right direction for becoming what God designed them to be.

I am reading this book aloud to my 5 year old son. Although not all of the concepts are understood by him, it is an excellent devotion on what it means to follow God as a little boy. We have had some great discussions on what it means to follow Jesus and to live in obedience. Great discussion starters included as well as questions about the scriptures. Reading this book and Girl After God's Own Heart I was a bit bored in the sense that they are both almost the same text with small changes. I would love to see more focus on the specific struggles of boys and girls.**Thanks to Harvest House and Netgalley for a review copy.**

I am reading this book with my 12-year-old son and it has been a blessing. It has served a great conversation starter for us.

THIS BOOK HAS MEANT A LOT TO MY SON WHO IS NINE. HE NEEDS ALL THE ENCOURAGEMENT HE CAN GET AS HE APPROACHEs THE MOST TESTING YEARS OF WALKING WITH GOD... ADOLESCENCE.

I am currently going through this book with my 10 yr old son, we both are learning together how to have hearts for God. It's easy for him to read and understand. Great devotional!

Very good, practical book for young boys, There is material in this book that really needs to be digested and put into practice! Used this book for a daily study for 7 of my grandsons visiting for "GRAMPA"S CAMP" thank you

A very thought provoking book for my young son. He was 8 when he first read this and told me he would like to read it again.

I bought this for my 12 year old grandson's birthday. I haven't asked him yet if has read it or started it, but I read most of it and found it to be very thought-provoking and interesting. I do think it kept saying this is not like homework, but it did seem like that there was a lot to do.

Gift for my grandson's 13th B'day. He and his parents seem happy with the contents
