Customer Reviews

Wow, this is really nice. Much nicer than any word search puzzle book I can find at the store, especially for the price. Will definitely order volume 2.

Love everything about this word search book!

I gave the word search puzzles for Christmas gifts. Receivers are still raving about their gift.

Loved by my mother in law

I LOVE PUZZLE BOOKS!!!!

I have ordered several of the Inspired to Grace coloring books and they have all been fantastic!So I

was super excited to see that this company was now creating word searches. I ordered both volumes 1 and 2 to give as gifts along with the coloring books. These word searches have the same super soft, really nice looking covers as the coloring books. They do give off a high class vibe. All of the pages are single sided! No lines going through your unfinished puzzles. Yay! Printed on the backside of each page is a Bible verse printed against a black and gray background. There are 100 word search puzzles included in this book. I was expecting the puzzles to contain a Christian theme with the hidden words but they are just random words that really have nothing to do with each other at all. There is no theme. :(Here's an example of the jumble of words in puzzle # 43 - act, can, future, juggle, remind, shiver, yellow, awful, close, grumpy, like, secretive, slope...Each puzzle contains 25 hidden words. They are hidden in all different directions- up, down, left, right and even diagonally. I was really just expecting more from these puzzle books. I found these puzzles to be pretty easy to complete. I guess they might provide a challenge for some people or maybe if you just want to do a quick relaxing puzzle then these would work fine for you. The recipient I have in mind for this book is an older person that I think would still enjoy these puzzles even if they aren't what I had in mind. I did receive this word search puzzle book at a discounted rate in exchange for my honest opinion. This does not affect my thoughts about this item in any way. I only get items to review that I would normally buy or use anyway. I am an customer and always rely on reviews to assist in my purchasing decisions. I always review products based on my personal experience with the item being reviewed. I hope you found my review to be HELPFUL in some way. If so, please click YES below. Thank you! :)

I am really very pleased with this word search puzzle book. I was very happy when I got this in the mail, it has surpassed my expectations. It is no regular, run of the mill word search book for several reasons.~The cover on it, is a nice sturdy cover. One that won't be easily torn or messed up. It feels nice in the hands as well.~The puzzles are on one side of the page, and on the opposite side, there is a Bible verse on a "chalkboard" looking background. I like this because you won't have any marking from your puzzle visible on the other side of the page. I also love the dark page with the Bible verse. It would be great to color in with metallic or gel type pens. :)~The text itself in the puzzle is a nice size. You won't have to squint to try and read tiny text--haha! For me, having a bigger text size is a big bonus.~Nice size book--with lots of puzzles!! really like this book and would definitely purchase the next in the series! :)I received this Inspired to Grace word search puzzle book at a discount in exchange for my honest review. Opinions stated in this review are truthful and are 100% my own.

This word search book is loads of fun. On one page you have the word search on the other page there is a scripture verse. I really enjoy reading the scripture and pondering it while finding the words. The pages are a nice thickness so you can use markers or anything you want and not have to worry about the colors bleeding through. I am happy to highly recommend this item to anyone. The first thing I do when I am looking at purchasing an item is read the reviews. It is always helpful to be able to learn about a product from other fellow buyers. That's why I think reviews are so important. They make us all feel a little better about our purchases. Having said that I must tell you I received Inspired to Grace Adult Coloring Books: Word Search Puzzles Volume 2 at a discounted price in exchange for my honest and unbiased review. However regardless this in no way influences my review. My promise to you is my honest opinion! Thank you for taking the time to read my review, I hope you will find it helpful. Remember even though I received a discount on this item, I value my word and promise my honesty always! Was my review helpful? If so please vote yes! If you did not find my review helpful please leave me a comment on how I can improve. Have a question about the item? Please ask, I am happy to help however I can. Again I thank you for taking the time to read my review!!
